ABOUT THE SHOW

Written and Produced by She Productions

If we don't treasure the world, there'll be no treasure left to find.

10-year-old Sammy has moved to a new house, in a new town, far away from her favourite person in the world, her Granny. The only good thing is that she is now much closer to 'Christmas Island'- a mystical pirates' haven, just off the coast of Spurn Point. Granny has told her to visit the island when she is feeling sad, but can Sammy brave the stormy seas alone? Or will she need the help of pirate royalty?

Set sail with She Productions on this brand new family musical tour to East Riding Libraries this December. The Pirates of Christmas Island celebrates history's Pirate Queens as they uncover the sorrows of the sea through courage, teamwork, and an encounter with some marooned jellyfish.

ABOUT SHE PRODUCTIONS

She Productions are a registered charity and collective of female-identifying theatre-makers rooted in the East Riding of Yorkshire. We create high-quality, low cost, musicals to introduce young people & their families to theatre in a relaxed environment.

Our team is made up of actors and teachers with a wealth of experience working with and creating work for young people.

Our productions use 'edutainment', entertainment as a vehicle for social change, to highlight important topics in a creative way.

The Pirates of Christmas Island explores marine conservation, environmental responsibility, kindness, courage and teamwork through original story and song.

A black and white photograph of a young boy with short, light-colored hair, sitting on the floor. He is wearing a dark long-sleeved shirt with a graphic of Iron Man on it. He is smiling and looking down at a drawing he is making with a marker. The drawing is on a piece of paper on the floor, and there are many other markers scattered around it. The background is slightly blurred, showing what appears to be a school hallway with other people's legs and feet.

HOW WILL IT WORK?

- The performance will be toured to libraries and Primary schools in the East Riding.
- Our set will be lightweight and minimal which means we can 'pop up' in school halls efficiently and quickly.
- We will perform up to 2 performances of the show in one day to accommodate multiple classes.
- We will charge a small fee of £3 per child to cover our costs.
